Again letter from T.Bhaskara Rao Esq., I.C.S., Collector of Bellary, R.O.C. 1972/36 A.7 dated 31st August 1936

Buildings- Government- Hospet taluk and town- Location of Police Circle Inspector's Office- Extension Town Police Station.

A type-design taluk office building was built at Hospet providing accommodation for both the Tahsildar and the Circle Inspector of Police, according to G.O. No.278 R., dated 1st October 1903. The western wing of the building was intended for the Tahsildar's court hall, the central block for the taluk clerks and the sub treasury and the eastern wing for the Circle Inspector of

Police. No provision was made for the Stationary Sub Magistrate's office in this building as there was a separate building constructed for it in 1898. But later on, the office of the Stationary Sub Magistrate was shifted to the taluk office building probably for the sake of convenience and the western wing of the building was allotted to him. Thereupon the Tahsildar moved into the room in the eastern wing which was then vacant and not occupied by the Circle Inspector of Police. It is not known definitely when and in what circumstances the Stationary Sub Magistrate moved to the Taluk office building. Subsequently on the representation of the Police department it was ordered by the Collector in 1925 that the Tahsildar should vacate the room in the eastern wing for the use of the Circle Inspector of Police for whom it was intended originally. Since then the Tahsildar has been holding his office in the central hall by the side of the clerks. It is not convenient for him to sit in the midst of the clerks and attend to his office work. It is, therefore, necessary that he should be provided with separate accommodation. The Stationary Sub Magistrate Office cannot be shifted to the old building as it is now occupied by the Hospet Municipality. It was transferred to the Municipality in G.O. No.1608 M., dated 10th Novr.1921. Further the old Stationary Sub Magistrate's building is away from the Taluk Office and the Sub Jail and it will not be convenient for Statinnary Sub Magistrate to attend to sub treasury and sub jail work if his office is shifted to the old building.

2. A separate building for the Stationary Sub Magistrate inside the taluk office compound is estimated to cost Rs.22,10(As the cost is heavy I consulted the District Superintendent of Police if it would be possible for him to accommodate the Circl Inspector of Police in the Town Police station, Hospet and mak the room now occupied by him in the taluk office available for the Tahsildar. He says that it would be possible if one more room is added to the Police station. This is estimated to cost only Rs. 2,220/- which is considerably less than the cost of a separate building. In the circumstances I request that the Board will be pleased to address the Inspector General of Police

to allot funds for providing an additional room in the Town Police station, Hospet, for the Inspector of Police

The District Superintendent of Police, Bellary has applied for the transfer of a portion of S.No.28 A/4-A of Hospet village, Hospet taluk, to the police department for extending the town police station at Hospet. The Inspector General of Police, Madras in his letter F.O.C. No.1115 H.B.36 dated 12-12-36 to the Board has accepted the proposal to extend the town police station at Hospet. The portion required has been subdivided and the extent comes to 0.04 acres. The subdivision records are enclosed for reference and return. The necessity for the extension of the town police station has been explained in detail in my letter No.1972/36 A.7 dated 31st Aug. 1936. I therefore request that sanction may be accorded for the transfer of S.No. 28 A/4-A-7 to the Police department.
